

Before and After School Care Service 2017-2018

Please complete one form for each student. Circle your choice of care. **Child care is until 5:30 pm so please pick up your child promptly on or before 5:30 pm. If a situation occurs where you are late, an additional \$20 per instance per child will be charged.**

Drop-in Students

Drop-in students are charged at \$10/hr. Students staying for less than a full hour will have their partial hours added cumulatively to count towards full hours which are then invoiced.

Due to holiday breaks throughout the year, when a full monthly fee is charged for less than a full month, Before and After School Care is offered in June but not charged for monthly subscribers.

Monthly rates are not adjusted for days missed or less time spent than the daily program operates.

Name of Student _____ Grade _____
